ADDENDUM NO. 2
Issued March 27, 2013

GENERAL REQUIREMENTS AND SPECIFICATIONS
CITY HALL PLAZA 1st STORY WEST ROOF REPLACEMENT PROJECT 1-13

Part 1 Section 1.01 Subsection A. – Shall have the following sentences added to the end of the current language:

A. A state wage determination #201300959 has been made part of the bid documents. Please note the information on this document for its applicability to this project. All employers and persons performing work on this project need to follow all Department of Workforce Development requirements for all such projects. The bid opening will be at 1:00 PM Friday March 29, 2013 at the offices of the Building Services Supervisor, not as previously stated in the newspaper ad. All other bid document information and requirements remains the same except as noted in Addendum #2.

Part 1 Section 1.05 Subsection C. – Is deleted in its entirety and is replaced with the following sentences:

C. The start of any roofing work shall be coordinated with the Owner and the successful bidder at least seven (7) days prior to commencement of work. The completion date for all work shall be no later than July 1, 2013. A cost shall be assessed to the Contractor, for liquidated damages totaling $100.00 per day for each calendar day past July 1, 2013, that the work is not completed. If the Contractor does not complete the work as described elsewhere within the specified time, the specified amount shall be deducted from payments due the Contractor for every calendar day that the work remains uncompleted. The deducted amounts are not a penalty but are actual damages due the Owner from the Contractor.
