Jerome Maeder Attorneys At Law filed a claim on behalf of their client Nancy Figlmiller alleging that she sustained injuries when she fell on or about September 17, 2011. The claim was filed with the City's insurance company, Statewide Services, Inc. They have completed their investigation and are recommending that the City of Marshfield deny this claim.

The basis for their denial is that they found no negligence on the City of Marshfield. According to their investigation, the City did nothing wrong to cause Ms. Figlmiller's fall or alleged injury. It is their opinion that Ms. Figlmiller's alleged fall was due to her own negligence as she was running in and out of a crowd of people, not watching where she was going, while wearing inappropriate shoes. In addition, according to witnesses, she fell before the hoses/cords which were taped down with mats over them and which were inspected previously by the fire department.

JLC12-033 Motion by Hendler, second by Feddick-Goodwin to deny the claim of Nancy Figlmiller as recommended by Statewide Services, Inc. pursuant to the Wisconsin Statute for disallowance of claim 893.80 (1g). Ayes - 3
