David Egger filed a claim with the City alleging that his property at 2302 S. Galvin Avenue sustained damage. The City had ordered the destruction of the building at this location and the job was completed by Don Nikolai Construction. The claim was filed with the City's insurance company, Statewide Services, Inc. They have completed their investigation and are recommending that the City of Marshfield deny this claim.

Their investigation revealed that the City of Marshfield was not negligent for this incident. Their decision was based on the fact that if any harm was actually caused to the claimant's property, it was caused by Don Nikolai Construction.

JLC12-019 Motion by Feddick-Goodwin, second by Wagner to deny the claim of David Egger as recommended by Statewide Services, Inc. pursuant to the Wisconsin Statute for disallowance of claim 893.80 (1g).
Motion carried

The committee reviewed the recommended changes to the Concealed Weapons Ordinance.

Police Chief Jepsen checked with the school district and they would like certain things restricted however they would like more time to discuss this at one of their administrative meetings with the Police Chief present at that meeting.

The committee directed the City Attorney to put this in ordinance form and bring it back to the JLC committee at their 2nd meeting in April.

Closed session was not held because the applicant did not appear before the Committee.
