State Auto Insurance Companies filed a claim with the City on behalf of their client Rachel Merkel alleging that their insured sustained damages to her vehicle after a collision with a City plow. The claim was filed with the City's insurance company, Midwest Claims Service. They have completed their investigation and are recommending that the City of Marshfield deny this claim.

Their investigation revealed that certain alleged facts regarding duty or causation are in dispute or unproven. The basis of the denial is that there is no liability on behalf of the City of Marshfield. The collision occurred because the claimant failed to maintain a safe following distance behind a snowplow engaged in winter snow maintenance. Furthermore, she failed to maintain control of her vehicle which caused her to strike the plow tire which engaged in a turn.

JLC11-079 Motion by Feddick, second by Hendler to deny the claim of Rachel Merkel as recommended by Midwest Claims Service pursuant to the Wisconsin Statute for disallowance of claim 893.80 (1g).
