The Electrical Inspector updated the Board on inspector staffing levels. He informed them that the City was in the process of interviews and possibly hiring a Building Services Supervisor. The intent was to hire this position by April 1, 2010.

The Electrical Inspector informed the Board that the yearly CEMA Seminar had 128 registered attendees. This 6-hour seminar was a success.

The Electrical Inspector informed the Board that the City would be reviewing permit fees. They would be seeking comparables with other communities. The intent is to have any changes implemented on January 1, 2011.

Information was provided that the Continuing Education for Marshfield Area (CEMA) a non profit organization was sponsoring a building contractor educational seminar on March 24, 1010. The Electrical Inspector noted that Marshfield Utilities really makes this happen as they take care of the hard part – registration. City staff lined up presenters and reserved the hall.

Motion by O'Reilly, second by Slowiak to adjourn at 6:00 PM.
**All 'Ayes' Motion Carried**

Dick Pokorny, Secretary
