Date: August 7, 2019

**Wednesday, August 7, 2019** - Beginning Monday, August 19, Advanced Disposal will require proof of city residency when extra waste and recyclables are taken to 501 S. Hume Avenue. The service is free of charge to local residents when a photo ID of the individual dropping off the household waste or recyclables is provided. The service is to accommodate residents with occasional excess material that does not fit into their carts. The service does not apply to construction waste, non-residential waste or white goods.

Proof of residency may include a photo ID with a City of Marshfield address or a photo ID and piece of mail with the name on the ID matching the mail and the mail having a City of Marshfield address. Questions can be directed to 715-502-3565.
