JLC04-014 Motion by Parks, second by Beaudry to recommend approval of Ordinance No. 1014, regarding an amendment of Section 10-33 (5)(c) of the Municipal Code of the City of Marshfield relative to the declaration of nuisances including noisy animals and refer to the Common Council for consideration. Amy Schueller filed a claim with the City after she hit a pothole on Peach Avenue and blew out her front right car tire.

Midwest Claims Service denied the claim because there was no negligence on the behalf of the City. The pothole on Peach Avenue was due to a water main that broke and was temporarily repaired by the Marshfield Electric and Water Department. Since Marshfield Electric and Water Department is responsible for maintaining that section of roadway on Peach Avenue until permanent repairs can be made, the City would not be liable for the claimant's damages.

The City Clerk's office contacted Ms. Schueller and notified her that she would need to file a claim with the Marshfield Utility.

JLC04-015 Motion by Parks, second by Beaudry to deny the claim of Amy Schueller pursuant to the Wisconsin Statute for disallowance of claim 893.80 (1g). The basis of the denial is due to the fact that there is no negligence on the behalf of the City. All Ayes
Motion carried

Motion by Beaudry, second by Parks to adjourn at 5:29 p.m.
