Steven Meyer filed a claim with the City of Marshfield on June 17, 2005 alleging that on June 10, 2005 a severe storm passed through the area and knocked tree limbs onto the property at 305 N. Cedar Avenue as well as break two windows on the front porch.

Street Superintendent Panzer explained that they have a very pro-active tree-trimming program. When they receive a call about a tree, they will go out and inspect that tree and depending on the severity of the problem, they will either put it on the schedule to be fixed later or they will take care of the problem right away. The trees that were listed on the Meyer and Wegner claims were never reported to the Street Division as having problems.

JLC05-056 Motion by Krueger, second by Beaudry to deny the claim of Steven Meyer pursuant to the Wisconsin Statute for disallowance of claim 893.80 (1g). The basis of the denial is that there was no negligence on behalf of the City of Marshfield. The branches from the City tree fell due to a storm. The City of Marshfield does not have control over natural occurrences. All Ayes
