Munsey and Boda's Birthday Party

Join us and celebrate Munsey and Boda's 5th birthday with a party at Wildwood Zoo on Saturday, February 22, at 10 a.m.

Munsey and Boda are two Kodiak Bears that were rescued in 2015 at the age of 6-months after their mother was illegally shot. The bears were named after the two individuals involved in the rescue.

The staff will be providing enrichments for the bears along with cupcakes, so come down and enjoy some time with the bears and zoo staff. The event is free and open to the public.

Andy Ott earns Wastewater Treatment Plant Operator of the Year Award

Each employee has an important job at the plant and it takes teamwork to keep the plant running smoothly and efficiently on a daily basis. "It's like family here and everyone is passionate about the work they do," said Wastewater Superintendent Sam Warp. It's important to recognize employees for their dedication to their craft, said Warp, who nominated Wastewater Treatment Plant employee Andy Ott for the Wastewater Operator Year Award.
