## Marshfield Outdoor Aquatics Center fundraising continues full steam ahead

The Fundraising Committee for the City of Marshfield's new Aquatics Center (MOAC) is continuing to reach out into the community for monetary donations. This is a chance to be a part of our "Extraordinary Families" and pledge \$1,000 over three years.

Currently, \$1.25 million has been raised towards the \$3 million fundraising goal in just over an eight month period, according to Justin Casperson, Parks and Recreation Director. Once enough money is raised privately, the City will go out for bids for the project. "The project will come to fruition but we need to be patient and good things will happen", Casperson said.

Donations are being accepted so please fill out the [pledgeonline](#) on the City website. Anyone can be listed anonymous or listed as an individual, couple, family, business or a group on the "Recognition Opportunities".
