Total Deposit Amount Required		\$

3. Agreement to Terms

I hereby apply for an Erosion and Sediment Control Permit and I acknowledge that the information above is complete and accurate; that the work will be in conformance with the ordinances and codes of the City of Marshfield and with Wisconsin Codes; that I understand this is not a permit but only an application for a permit and work is not to start without a permit; that the work will be in accordance with the approved plan in the case of work which requires a review and approval of plans.

Contractor Name (Print): _____

Contractor Signature: _____

Date: _____

4. Submit Application

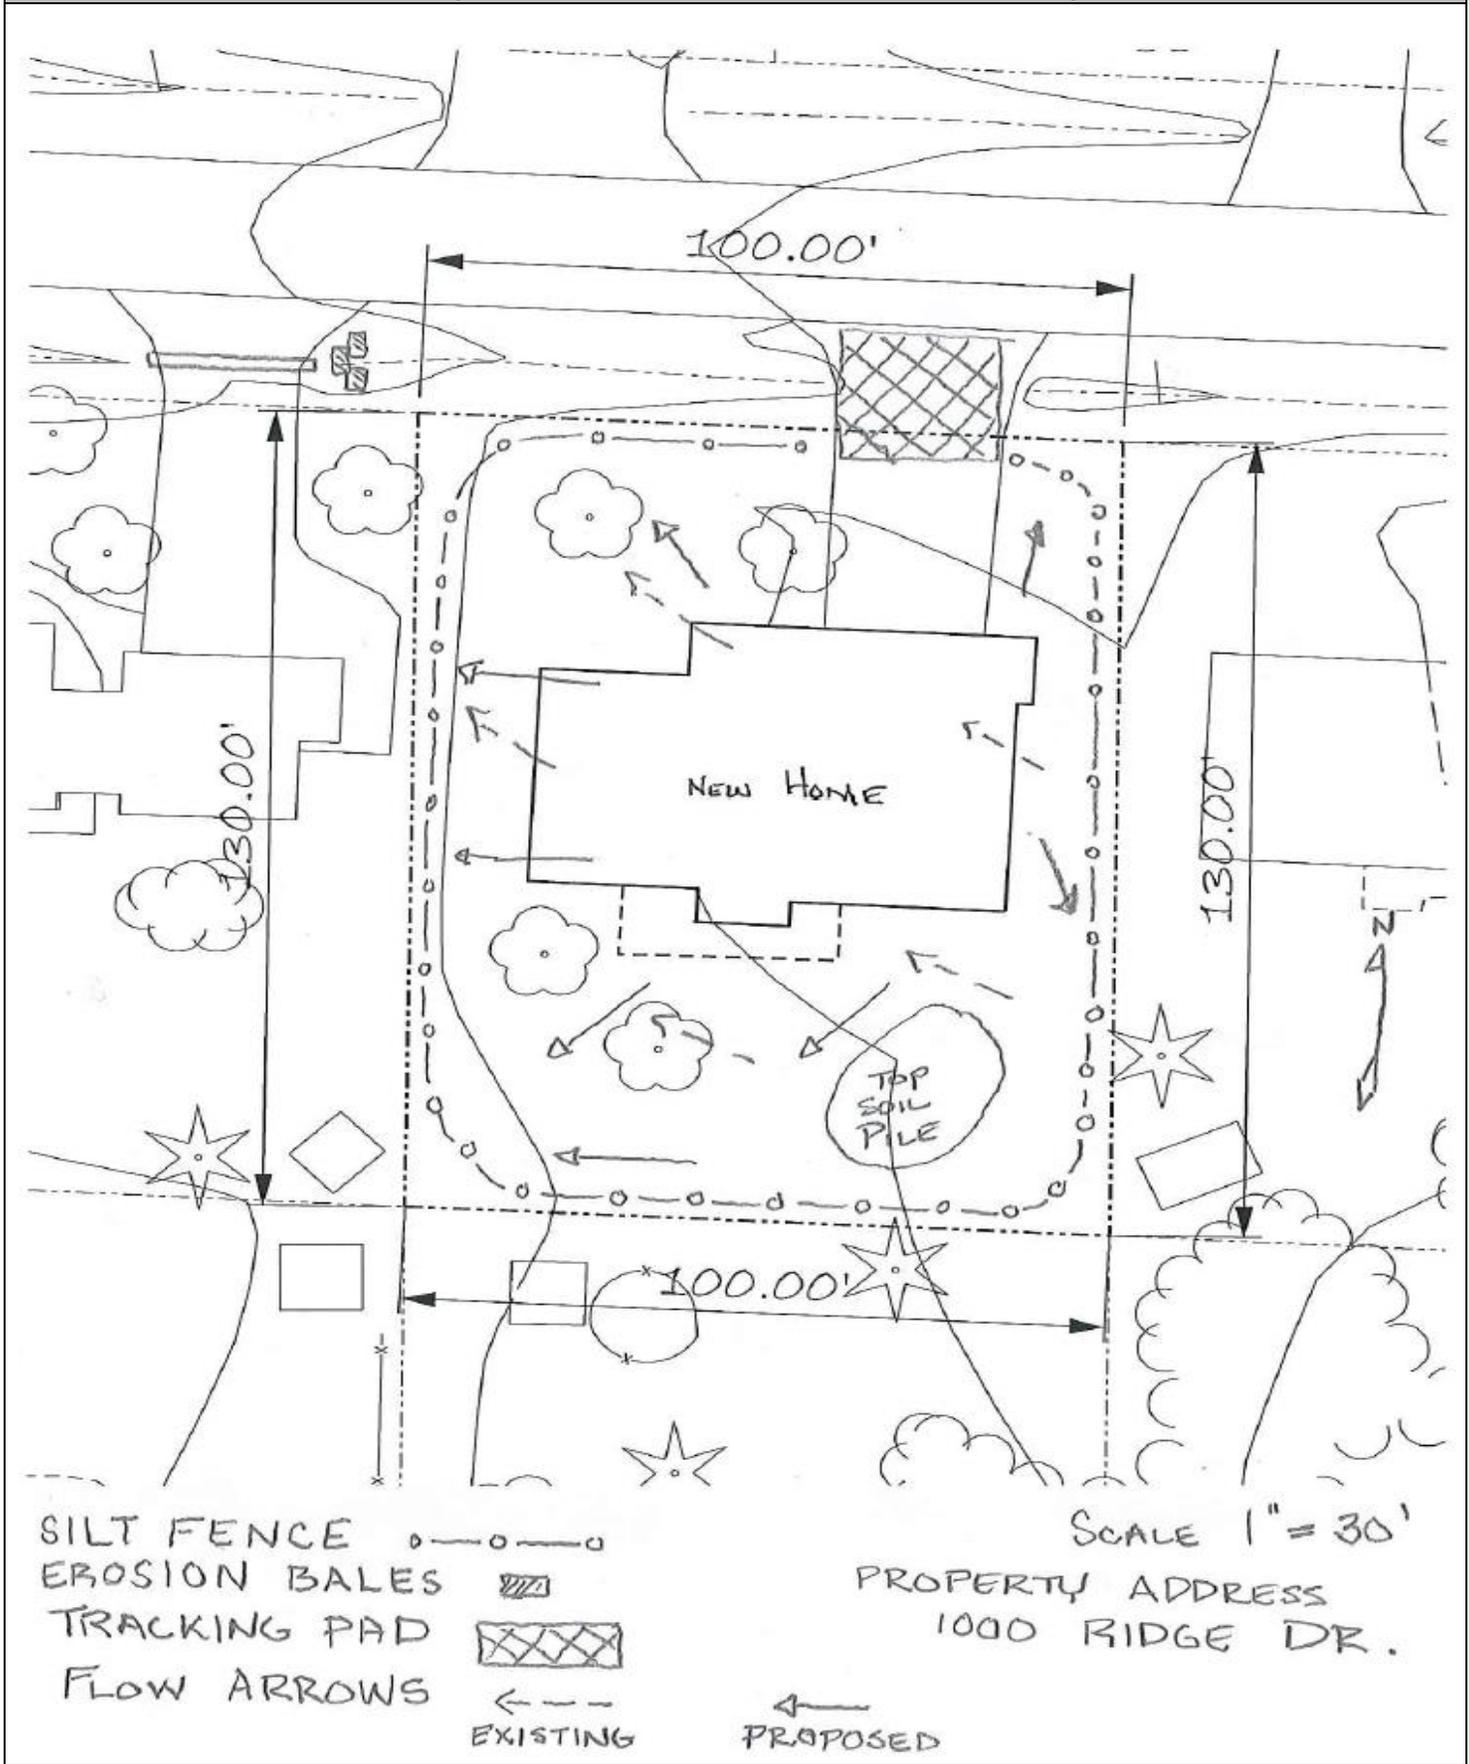

Submit a completed Erosion and Sediment Control Permit Application, a completed Erosion and Sediment Control Plan, including a site map, and permit fees and deposit to:

City of Marshfield, Engineering Division
 630 S Central Avenue P.O. Box 727
 Marshfield, WI 54449-0727
 Checks shall be made payable to: City of Marshfield Treasurer

For questions or additional information, please contact the City of Marshfield Engineering Division at (715) 486-2034.

By submitting this application, the applicant is authorizing the City Engineer or his designee to enter the site to obtain information required for the review of the Erosion and Sediment Control Plan. The applicant shall be informed within 30 calendar days of the receipt of a complete permit application whether the application was approved or disapproved. The City of Marshfield requires any tracking of soils on to municipal streets to be cleaned and removed daily. Failure to remove tracking materials will constitute a violation of municipal code and shall be subject to fines and costs incurred. An approved permit shall be valid for a period of 180 days, or the length of the building permit or other construction authorizations, whichever is longer, from the date of issuance. A copy of the Erosion and Sediment Control Plan must be kept on the construction site.
