## Welcome Historic Preservationists!

To aid in your quest for preservation and restoration information, Marshfield Public Library created a bibliography specifically dealing with Historic Building Preservation. Marshfield has an active tradition of working to preserve our historic landmarks, be they homes, businesses, or other significant buildings in our city. This bibliography is designed to make it easier for you to progress with your conservation efforts. Every attempt was made to include all items of interest in the Library at the time of printing. New items are continuously added to the collection. To find more recent additions or for more complete information on any item, please check the Library's online catalog at [www.MarshfieldLibrary.org](http://www.MarshfieldLibrary.org), call the Library at (715) 387-8494 ext. 220, or stop in during open hours. Library Staff are happy to assist you.

This bibliography is organized into specific categories. Within each category, entries are listed in alphabetical order by author. To help you locate the material, each entry is accompanied by a Dewey Decimal or Call Number and a collection location that corresponds to the location of the object within the library. Items labeled as 'Non-Fiction' or 'Oversize' are available for checkout from the Library. Items labeled 'Adult Ready Reference,' 'Adult Reference,' 'Adult Services Office,' 'Microfilm Cabinets,' or 'Storage Area' are rare or limited copy items and may not leave the library. These items are, however, available anytime during normal Library hours. **Library staff will gladly retrieve material from the more secure locations within the library or instruct you on how to use the resources or equipment.**

We wish you joyous and productive research.
