

MARSHFIELD
POLICE DEPARTMENT

2015
ANNUAL REPORT

February 23, 2016

Members of the Police and Fire Commission
Mayor Chris Meyer
Members of the Common Council
Citizens of Marshfield

Ladies and Gentlemen,

On behalf of the Marshfield Police Department, we are pleased to present you the 2015 annual report. The most important aspect of this report is the section that introduces you to all of the staff members of the organization as well as some of the activities that each individual is involved in on a day-to-day basis. Our department's continued success is primarily attributed to the support we receive from you as well as the dedication of all of our staff members.

In 2015 we said good bye to three officers who retired after providing a combined total of nearly 76 years of service, namely

- Officer Jason Prickett in May - 25 years and 5 months;
- Drug Investigator James Cramm in August - 26 years and 7 months; and
- Officer Jeffery Cichantek in September - 23 years and 10 months.

To fill those vacancies, we hired Julie Leu in July, Alexander Mitchell in August, and Joshua Larsen in December. These officers were hired for their character, work ethic, values-driven leadership abilities, and their eagerness to serve and protect the citizens of Marshfield. We are proud and happy to have them on board.

We should also recognize

- Adult Crossing Guard John Scheuer who retired in June after serving 17 years as an adult crossing guard and 30 years before that as a police officer for a combined 47 1/2 years of service to the department and the community.

Also in 2015 Patrol Officer Christopher Hasz was appointed to be the new K9 handler after Officer Scott Schlei joined our drug investigation unit. Officer Hasz went to the Vohne Liche Kennels in Denver, Indiana where he selected K9 Steffi, a 1-year-10-month-old female Belgium Malinois to replace K9 Arco who retired at the end of 2015. Following six weeks of training, our newest K9 unit returned to Marshfield to begin serving our community for many years to come.

This year we changed our uniform patch to better represent the City of Marshfield which is what you see on the cover of this report. We also changed the look of our police squads by

Letter from Chief Rick Gramza
Page Two

adding a white wrap to them to make them better visible to the public and this change has been well received.

It should be noted in 2015 we saw a modest increase of 5.6 percent in major crimes reported to the State Uniform Crime Reporting Program. We also cleared 60.7 percent of those crimes which continues to be higher than state and county solve rates thanks to the diligence and efficiency of our police staff.

In closing we firmly believe our overall success is due to the strong partnership that has been built between all demographic segments of this community and your loyal and dedicated police department. We hope you share our sentiments and recognize the efforts and accomplishments of our staff. We invite you to provide us with feedback about this report as well as all of our activities for clarification, further information, or suggestions on how we can better service you. We sincerely appreciate the support of the community leaders as well as all community members, and we promise to continue improving upon the service we provide.

Sincerely,

RICK GRAMZA
Chief of Police

**MARSHFIELD POLICE DEPARTMENT
VEHICLE MILEAGE REPORT
2014**

	<u>2011</u>	<u>2012</u>	<u>2013</u>	<u>2014</u>	<u>2015</u>
Miles Driven	339,389	353,663	343,894	329,123	327,838
Gasoline Used/Gallon	22,858	22,379	27,904	26,104	26,736
Miles/Gallon Average	14.85	15.80	12.33	12.61	12.26
Total Gasoline Cost	\$76,687	\$84,667	\$92,869	\$80,505	\$57,310
Average Cost/Gallon	\$3.35	\$3.78	\$3.34	\$3.08	\$2.14
Maintenance Cost	\$21,250	\$18,100	\$19,359	\$13,685	\$14,954
Maintenance Cost Per Mile (cents)	6.2	5.2	5.7	4.2	4.6

The diverse fleet of 23 vehicles currently used by the staff of the Marshfield Police Department consists of both very specialized fully marked police vehicles as well as a number of multi-purpose unmarked vehicles that are necessary to serve the community as efficiently and effectively as possible.

Our eight first-line fully marked vehicles are operated essentially 24 hours a day, and the annual average mileage on each of these vehicles is 32,000 miles. This places a great demand upon the vehicles, and maintenance on a single vehicle could easily exceed \$2,000 per year. Due to the type of driving required within a residential community, the majority of repairs to squad cars continue to involve the repair or replacement of brakes, tires, and batteries. Fortunately, many of our vehicles are covered by either a 36,000 mile bumper-to-bumper new car warranty or the factory 100,000 mile power train coverage which limits the potential liabilities of the extensive costs of major repairs. Maintenance of our vehicles is essential, and safety to our officers and others is of the highest concern. We take pride in our fleet of vehicles and attempt to keep them operating as efficiently and safely as possible within a fiscally responsible budget.

Each year we acquire quotes from local shops for our non-warranty repairs and general vehicle maintenance needs. This allows us to receive the best value available for the essential vehicle services that we need. The fleet maintenance contract for 2015 was awarded for the fourth consecutive year to Associated Service Center who offered the best overall cost savings of the 18 local service providers who were contacted and submitted quotes.

Vehicle Mileage Report 2015
Page 2

In a continued effort to minimize costs while ensuring the efficiency of our fleet, we auctioned the following vehicles through Wisconsin Surplus Online Auctions:

- 1982 Ford Econoline E350 Transport/Cargo Van (SRT) - \$3,356
 - 2000 Dodge Dakota Club Cab - \$3,601
 - 2003 Burgman Scooter - \$2,950
 - 2008 Chevrolet G1500 Express Cargo Van (Ordinance) - \$4,750
 - 2011 Chevrolet Impala - \$3,861
 - 2012 Chevrolet Tahoe - \$11,827
- Total: \$30,345

This is the fifth year we utilized the services of Wisconsin Surplus Online Auctions in order to reach the broadest market possible. We have found great success with this approach as the auction service does essentially all of the administrative work including the listing, processing and collections involved in the process with no cost to the department. As a result of selling these vehicles, \$30,345 in revenue was generated to help offset some of the ever growing tax burdens of the citizens of our community.

**MARSHFIELD POLICE DEPARTMENT
BOOKING AND OTHER STATISTICS
2015**

Detained

During the year 2015, we had a total of 18 people detained within our jail facility. Normally, we detain a subject only until arrangements can be made for transportation to another facility or until the subject is released to a responsible party.

Booking Procedures

In 2015 we physically booked 571 people (448 males and 123 females). The booking process involves the taking of a set of fingerprints from an individual, as well as obtaining a photograph of the individual for our files. This total includes fingerprints taken for probation and parole registration. It should be noted that the number of people booked during the year does not include fingerprints taken for assisting citizens with employment, adoption, and taxicab applications.

Warrants

	<u>2014</u>	<u>2015</u>
New warrants issued	269	235
Warrants cancelled	229	245

Transports

In 2015 the Marshfield Police Department performed a total 327 transports to jails and health care facilities in the state of Wisconsin. Of those 327 transports, 161 were performed by personnel hired and trained in our transport officer program which began in March of 2011.

Police False Alarms

	<u>2014</u>	<u>2015</u>
Commercial	242	167
Residential	<u>12</u>	<u>20</u>
Total	254	187
Total Revenue Received	\$2,948.75	\$3,592.00

**MARSHFIELD POLICE DEPARTMENT
CANINE UNIT
2015**

This year was an exciting one for the Marshfield Police K9 unit! After nearly 15 years of being a K9 officer, Officer Schlei accepted a position as one of our drug investigators. Officer Schlei was able to maintain K9 Arco's certification keeping him available to assist while our new K9 officer completed training. Officer Schlei's dedication to the K9 program since its conception is appreciated, as are the years of service he and his K9 partners provided to our city. K9 Arco retired near the end of the year making room for our new K9 and handler team. Prior to Officer Schlei's reassignment, he and Arco deployed 86 times. The deployments consisted primarily of vehicle sniffs, school searches, and demonstrations. In addition, K9 Arco was used on 2 fleeing criminals and a barricaded subject.

Officer Endries and K9 "H" continue to provide excellent service. "H" turned seven this year and is in good health. "H" did have another broken tooth pulled, but as in the past, doesn't seem to be affected by it. Officer Endries deployed "H" 70 times, with the majority being vehicle sniffs and school related searches. "H" was also used in 5 building searches for suspects.

Both K9 officers continue to attend bi-monthly training with K9 officers from neighboring jurisdictions. Training with neighboring communities carries many benefits. In addition to the ability of providing better training, we also are able to utilize the K9 units from other jurisdictions when needed. This is especially beneficial in incidents like school searches, missing persons, or drug interdictions. The neighboring jurisdictions that participate in the training group are: Adams, Portage, Marathon, and Taylor County Sheriff's Departments as well as the Loyal, Kronenwetter, Everest Metro, and Wausau Police Departments.

Officer Schlei and Officer Endries attended the Wisconsin Law Enforcement Canine Handler Association conference in Green Bay this year. Officer Endries and K9 "H" won the prestigious Patrol Challenge! The Patrol Challenge is a drill where the handler and K9 are tasked with finding a hidden person, while overcoming intentionally placed distractions that are intended to confuse the K9. Officer Endries and "H" competed against K9 teams from across the state and found the hidden person in the fastest time.

Officer Hasz was appointed to be the new K9 handler. In November, Officer Hasz traveled to Vohne Liche Kennels in Denver, Indiana where he selected his K9 Steffi, a 1-year-10-month-old female Belgium Malinois. Officer Hasz then completed 6 weeks of training at Vohne Liche Kennels before returning to Marshfield, where he was able to begin orienting Steffi to the community.

**MARSHFIELD POLICE DEPARTMENT
OFFICER FRIENDLY PROGRAM
2015**

The Officer Friendly program has been part of the schools' curriculum for over 41 years. This program allows young children to personally meet a police officer and have direct interaction while learning about designated topics to help keep them safe and out of trouble during their learning years. Officer Friendly goes into the school setting and instructs with the assistance of videos, visual aids, and personal instruction.

The Officer Friendly program serves the following elementary schools within the Marshfield School District:

Grant Elementary School
Lincoln Elementary School
Madison Elementary School
Washington Elementary School
Nasonville Elementary School
Immanuel Lutheran School
St. John's School
Our Lady of Peace School

Many topics are discussed throughout the year with age-appropriate content to include:

Meeting a police officer for kindergarteners
Alcohol prevention
Drug prevention
Bicycle safety
Bullying prevention
Cliques and their impact
Emergency 911 services
Gun safety
Pedestrian safety
Self protection
Seatbelt safety and usage
Stranger safety
Train safety
Tobacco prevention
Vandalism prevention
Internet safety

Officer Friendly is also involved in the student crossing guard program to include two presentations to the student population for the installation program of the crossing guards when school begins in September and the recognition program of the crossing guards just prior to the end of the school year in May.

**MARSHFIELD POLICE DEPARTMENT
SPECIAL RESPONSE TEAM
2015**

Officer in Charge: Sergeant Travis Esser

Entry Team:

Team Leader: Lead Officer Travis Sherden

Assistant Team Leader: Officer Samuel Fox

Entry Team Members: Officers Landon Kramer, Matthew Berres, Robert Beathard,
and Police School Liaison Officer Jason Foemmel

Snipers:

Team Leader: Detective Kevin Hamill

Team Member: Lead Officer Jason Punke

Negotiation Team:

Team Leader: Police School Liaison Officer Christine Giacomino

Team Members: Lead Officers Jared Beauchamp and Steven Meek, and Officers Aaron
Wargowsky and Jamie Kizer

Resignations:

Entry Team: Lieutenant Patrick Zeps, Sergeant Travis Esser

Negotiation Team: Officers Rochley Gross and Christopher Berg

The Marshfield Special Response Team (SRT) exists on a call-out basis to handle situations which can be defined as being above and beyond the capabilities of the on-duty patrol shift. There are numerous situations that require specialized training and equipment such as hostage rescue, barricaded subjects, and high-risk warrant service.

The Marshfield Special Response Team members train monthly on a variety of topics including high-risk warrant service, hostage rescue, hostage negotiation, barricaded and suicidal subject negotiation, and various other types of rescue operations. Entry Team members and Snipers are required to pass a physical agility test in order to stay active on the team. The Marshfield SRT also works and trains in conjunction with other local Special Response Teams to include Wood County, Wisconsin Rapids, Marathon County and Clark County.

**MARSHFIELD POLICE DEPARTMENT
CITIZENS ACADEMY PROGRAM
2015**

The Marshfield Police Department again this year hosted its popular program called “Citizens Academy”. The program is offered to a maximum of twenty students ranging from homemakers to professionals, all of whom have an interest in the criminal justice system and a desire to learn about law enforcement. While offering this opportunity to a relatively small number of students, it allows each member the maximum amount of exposure with regard to what it is we do as police officers, while providing the maximum amount of personalized attention. In 2015, participants met on Tuesday evenings from 6:30 p.m. to 9:00 p.m. for a total of six weeks from April 14 to May 19, during which an informal graduation took place.

Each of the six sessions involved instruction by members of the Marshfield Police Department whom, through the process of training and experience, have become experts in their field of instruction. By providing our audience with quality presentations by members of our own department, we offered participants a “hands on” perspective of what we do as police officers to include firearms, defensive tactics, taser deployment, criminal investigations and more importantly, the opportunity to get to know our departmental employees on a personal level.

The following is the list of topics and presenters we utilized during the six-week program:

- Introduction and tour of building: Lieutenants Larson and Zeps.
- Ordinance enforcement (parking and stray animals): Ordinance Officer Leonard.
- Patrol officer/special response team equipment/duties: Sergeant Keffer and Officers Beathard and Kramer.
- Criminal investigations/crime scene investigations: Detectives Hamill, Parks, and Neinast.
- K9 units/controlled substance and current trends: Officer Schlei and K9 Arco, and Officer Endries and K9 H/Officers Cramm and Iverson.
- Firearms procedures/shooting at Marshfield Police Department Range: Officer Mattheisen and range officers.
- Police auxiliary: Auxiliary Officer Gorman and Police Auxiliary Liaison Officer Kizer.
Graduation: Chief Gramza, and Lieutenants Larson and Zeps.

The financial cost of operating this six-week program is minimal. The overall benefits derived continue to be something that cannot be measured. The perspectives that we received, based upon feedback from our presenters as well as our audience, have suggested that the program increases awareness and support, and builds long-lasting partnerships with the community that we serve. We anticipate the Marshfield Police Citizens Academy to remain a valuable educational program which we can offer to the citizens of Marshfield.

**MARSHFIELD POLICE DEPARTMENT
POLICE SCHOOL LIAISON OFFICER PROGRAM
2015**

**PSLO Christine Giacomino
PSLO Jason Foemmel**

The City of Marshfield's police school liaison officer program has been in existence since 1986. Marshfield has two full-time police school liaison officers (PSLOs) to assist the young people of our community.

In September 2007, Officer Christine Giacomino was appointed to the PSLO position and assumed the duties at the Marshfield Middle School. She also responds to the needs of the Marshfield elementary schools as well as the private school sector.

In June 2014, Officer Jason Foemmel was assigned to the PSLO position at the Marshfield Senior High School. He also responds to the concerns of the private sector when requested.

The PSLOs have offices in their assigned public schools. During that time they are accessible to students, staff, and parents. They spend a considerable amount of time investigating youth crimes and youth victimization that occur within the City of Marshfield. These include truancy, thefts, assaults, drug and alcohol violations, weapons, contraband items, and other violations of state laws and local ordinances. Another function of these officers is to use proactive law enforcement efforts to ensure the students' safety and to prevent crimes committed by and against juveniles. By achieving these goals, law enforcement and young people form good working relationships, and our youth become productive members of the community.

Liaison officers also act as mentors by having open and scheduled office hours. They attend extracurricular activities and build relationships that are vital to the success of the school community. Mentoring affords the PSLO opportunities to connect with Marshfield's youth and help them succeed. They receive ongoing training in juvenile issues and other topics to assist them in their responsibilities.

**MARSHFIELD POLICE DEPARTMENT
TRAINING REPORT
2015**

We at the Marshfield Police Department strive to provide the highest quality of progressive and current training available while maintaining budgetary constraints. Many of the training courses attended by our staff members are offered by technical colleges and other institutions for little or no tuition fees. Over the last few years, the funds that were once available through Homeland Security have become far less available; however the Wisconsin Department of Justice has continued to provide funding assistance for a variety of specialized training. We continue to make every effort to take advantage of these excellent opportunities to train our personnel with minimal expense to the city. Without these considerations for police training, our training budget would be significantly higher. Almost all of the training that is attended by our officers is within the state of Wisconsin, and oftentimes within 50 miles of Marshfield which eliminates the need for lodging, and in turn the overall training costs. We have also been fortunate enough to have had quality training offered right here in Marshfield. Occasionally, advanced specialized training needs require that staff members travel outside the state of Wisconsin, but that is also limited to essential certifications that are only offered in very limited areas of the country.

To further reduce our training costs, we offer members of our department opportunities to become certified as a trainer in specialized fields of interest. Officers that have received specialized training become “in-house” trainers and consultants for other department personnel. Participative management of this nature allows the department to train more officers while remaining aware of prohibitive costs. It also provides our officers the opportunities to expand their knowledge base and enhance the potential for new career paths within the department.

Marshfield police officers are currently certified in the following areas:

- Taser (Electronic Control Device)
- Firearms Instruction
- CVSA (Computer Voice Stress Analysis)
- Firearms Armorer (Colt, Glock)
- Oleoresin Capsicum (less-than-lethal gas)
- FTO (Field Training Officer)
- EVOG (Emergency Vehicle Operations and Control)
- DAAT (Defensive and Arrest Tactics)
- Certified Evidence Technician
- SFST (Standardized Field Sobriety Testing)
- DRE (Drug Recognition Expert)
- Death Investigation
- Canine Handler Certification
- CIT (Crisis Intervention Specialist)
- Clandestine Lab Specialist
- UTI (Unified Tactical Instructor)
- PIT (Pursuit Intervention Techniques)
- ALERRT (Advanced Law Enforcement Rapid Response Training Instructor)

A primary concern in today's society is the civil liability that accompanies the failure to adequately train. Our officers are tasked with a wide array of special skills that they must be able to perform on a daily basis and within a moment's notice. Decision-making skills and reactions from continual training efforts are of the utmost importance. For our officers' safety and the safety of our community members they serve, they must be ready to perform each of these skills with precision and a learned response. The manner in which we perform our duties is a direct reflection upon the quality of the training that we have received.

Not only are our officers actively involved in the training of one another for the purpose of safety and efficiency, they are also involved in presentations in a wide variety of educational programs to numerous community organizations to include: schools, the elderly, church groups, youth groups, fraternal organizations, Leadership Marshfield, Citizens Academy, and many others.

The following is a sampling of the types of high quality courses attended by our officers, supervisors, managers, and other staff members in 2015.

- Wisconsin Department of Justice Command College
- Leadership Marshfield
- ALERRT Instructor (Advanced Law Enforcement Rapid Response Training: Train the Trainer)
- Field Training Officer
- Crisis Negotiations
- Drug Endangered Children
- Child Death Investigations
- Child Abuse Investigations
- Leadership in Police Organizations
- Vehicular Homicide
- Crisis Intervention Technician
- Reid Interview and Interrogation
- Force Science Institute
- Basic SWAT
- National Fire Academy
- Street Survival
- Internet Crimes Against Children
- Unified Tactics Instructor Recertification
- Advanced Interviewing
- Wisconsin K9 Conference

The State of Wisconsin requires that each sworn officer must receive a minimum of 24 hours of training annually in order to maintain law enforcement certification; and the ordinance enforcement officers are required to receive 32 hours every two years to maintain their certification as humane officers. Each of our 40 sworn officers exceeded this standard by attending an average of 92.375 hours of training. This represents a total of approximately 3,695 hours of training for department personnel in 2015.

**MARSHFIELD POLICE DEPARTMENT
FIREARMS TRAINING
2015**

Marshfield Police Officers participate in firearms training on a monthly basis throughout the year. Firearms instructors develop and implement training courses of fire which focus on specific skill sets in order for officers to maintain both basic and tactical firearms concepts, operation, techniques, and shooting proficiency with each of the firearms they are assigned to include pistol, rifle, shotgun, and less lethal. New to 2015 was the implementation of the State of Wisconsin Department of Justice mandatory firearms qualification course. This standardized course was developed to ensure that law enforcement students and officers alike throughout the State of Wisconsin have met and maintained a high standard of shooting proficiency.

The firearms training program is overseen and coordinated by Officer David Mattheisen who is the Unified Tactical Instructor Coordinator for the police department. His responsibilities include obtaining and maintaining all necessary equipment needed for firearms training such as ammunition, targets, protective gear, etc., and that documentation for each officer's firearms training file is completed and accurate.

The Marshfield Police Department has nine firearms instructors who are responsible for the development and implementation of the monthly training courses of fire. Those instructors are:

Sergeant Travis Esser
Lead Officer Steven Meek
Lead Officer Jared Beauchamp
Lead Officer Travis Sherden
Officer David Mattheisen
Officer Scott Schlei
Officer Samuel Fox
Officer Michael Topness
Officer Matthew Berres

Officer Landon Kramer is the Range Proper and is responsible for the maintenance of the range house and grounds.

As part of the Marshfield Police Department's commitment to the community, we also utilize the range facility for hunters to sight in their firearms, hunter safety courses, citizens academy, recruit school academy training and outside agencies such as the Department of Natural Resources who wish to conduct warden firearms training.

**MARSHFIELD POLICE DEPARTMENT
TRANSPORT OFFICER PROGRAM
2015**

In 2011, the Marshfield Police Department implemented the transport officer program. This program was created in an effort to provide a cost savings to the citizens as well as to maintain a safer community by eliminating staffing shortages when a non-combative individual needed to be transported to a facility outside the city of Marshfield.

The civilians used as transport officers are scheduled through the use of the program's coordinator. This individual answers directly to the on-duty sergeant or administrative lieutenant. Transport officers are paid an hourly rate with a two hour minimum. This proves to be a cost savings over the three hour minimum previously paid to sworn officers at 1.5 times the officer's normal hourly rate.

In 2015, transport officers were used for 161 transports, totaling 399.25 hours paid. This equated to a cost of approximately \$4,991 to the city. Had sworn officers been used at their overtime rate of pay (3 hour minimum call-in), the cost would have been \$20,244. This program shows a potential cost savings of approximately \$15,253 to the citizens of Marshfield in 2015.

Month	Transports 2014	Transports 2015	Transports 2015	Transports 2015	Hours 2014	Hours 2015
	Total	Total	Patrol	Trans. Off.	Total	Total

**MARSHFIELD POLICE DEPARTMENT
CRIME PREVENTION PROGRAMS
2015**

Neighborhood Watch

The Marshfield Police Department has assisted with the coordination of Watch Programs for a number of city neighborhoods. The members of the watch groups identify the concerns of the neighborhood and the amount and type of participation needed. Their involvement may be as simple as reporting suspicious persons/activities or performing citizen patrols of the neighborhood. The watch group members may also host meetings, during which the Neighborhood Watch Coordinator Officer Meek is available to discuss recent crime trends, answer questions, or provide “training” to new members. There are a total of 135 residences in Marshfield that are active participants in the program, having posted numerous watch signs within the city.

Apartment Watch

The Apartment Watch Program is intended to act as a “neighborhood watch” for many apartment complexes located within the City of Marshfield. Although the program is not limited to the elderly communities, it has traditionally targeted apartment complexes designed to house the elderly. This program focuses not only on violent crime prevention, but also on telemarketing scams and other fraud prevention.

Carrier Alert Program

The Marshfield Police Department and your local postal service have joined together to offer the City of Marshfield residents the Carrier Alert Program.

This program is designed primarily for the elderly and handicapped who reside alone. Carrier Alert is available free of charge to city residents who live alone and may have difficulty reaching vital services in the event of an accident or sudden illness. If living alone worries you or a loved one, the Carrier Alert Program can offer peace of mind. Your letter carrier will call for help if it appears that it is needed.

**MARSHFIELD POLICE DEPARTMENT
EMPLOYEE OF THE YEAR,
FRED BELL HONORS AND SERVICE AWARDS
2015**

Fred Beell Service Award

The Marshfield Police Department honors former employees each year with the presentation of the Fred Beell Service Award on Police Officer Memorial Day in May. The award is presented annually to retired members of the department who have honorably served the City of Marshfield for more than 25 years. Recipients are presented with a commemorative coin with a depiction of fallen Marshfield Police Officer Fred Beell and the words “Service Over Self” inscribed on it.

Lead Officer Steven Leu and Chief Gary Jepsen retired from the department under the described criteria in 2014 and were presented with this award in May, 2015.

- Lead Officer Leu began his employment with the Marshfield Police Department on February 12, 1985 and retired June 5, 2014. His career spanned 29 years and 3 months.
- Chief Gary Jepsen began his employment with the Marshfield Police Department on May 17, 1982 and retired May 15, 2014. His career spanned 32 years.

Fred Beell Honors Award

The Fred Beell Honors award is presented to members of the Marshfield Police Department for acts of bravery beyond the member’s basic duty which subject the member to a high risk of serious injury.

Members of the Police Department may be nominated by a coworker or a citizen by submitting a detailed account of the incident to the Chief of Police for consideration. A five member panel then reviews submissions to determine if the award criteria are met prior to making a recommendation to the Chief of Police for final approval.

Recipients are presented with a commemorative coin with a depiction of fallen Marshfield Police Officer Fred Beell and the words “Service Over Self” inscribed on it. The presentation is made at the department’s annual honoring of Peace Officer Memorial Day in May of each year.

There were no Fred Beell Honors awards presented in 2015.

Marshfield Police Department Officer of the Year

The Marshfield Police Department Officer-of-the-Year award is awarded for outstanding achievement by an officer that brings credit to the department, and which involves performance above and beyond that which is required by an officer’s basic assignment.

Fred Beell Honors and Service Awards – 2015
Page Two

Adult Crossing Guard employee John Scheuer received the department's employee of the year award in 2014. John served his community as a police officer from July 22, 1966 until his initial retirement as a lieutenant on May 8, 1997. He came back to our department as a full time adult crossing guard in September of 1998 and will have given us 17 years in that role. This comes to 47 ½ years of service to the Marshfield Police Department and the Marshfield community.

**MARSHFIELD POLICE DEPARTMENT
MULTI MEDIA EDUCATION COMMITTEE
2015**

In 2015 committee members continued their efforts to assist citizens to become more informed about various laws and topics of interest.

Committee members are:

- Administrative Assistant Peggy Lindner, Chairperson
- Staff Services Supervisor Lorrie Krokstrom
- Lieutenant Darren Larson
- PSLO Christine Giacomino
- PSLO Jason Foemmel
- Officer Daniel Salacinski
- Ordinance/Humane Officer Bob Larsen
- Records Specialist Cindy Gaetz

Committee members met regularly throughout the year to draft weekly “POLICE PLAIN TALK” articles. Every week a topic is addressed, and when possible, the topic is presented at a time of year when it is most valuable.

The “Police Plain Talk” appears in the [Marshfield News Herald](#), and the articles are also available on the Marshfield Police Department web site.

The committee welcomes input from department personnel and citizens on what topics to be addressed in observance with its goal of keeping the public better informed about new and current laws as well as other issues that make Marshfield a safe community.

**MARSHFIELD POLICE DEPARTMENT
ORDINANCE CONTROL
ANIMAL CONTROL FUNCTIONS
2015**

In 2015 dogs and cats available for adoption were featured on the Marshfield Area Pet Shelter (MAPS) website <http://marshfieldpetshelter.org> and Facebook. Stray cats are impounded at the Marshfield Area Pet Shelter and stray dogs at a private kennel, while notices are placed in the Marshfield News Herald and Hub City Times in an effort to locate the owners of these animals. Other animal types that ordinance handled in 2015 included ferrets, birds, muskrats, owls, skunks, ducks, woodchucks, snakes, and opossums.

Weber, Eugene	12/08	Oemig, Roger*	01/13
Wolf, Tony	10/14	Thieme, Arlene	09/15

Summer School 2015	Alek Wegner (am)/Todd Neuman (pm) Roger Oemig	Upham & Walnut St Joseph & Upham
--------------------	--	-------------------------------------

Retirement: John Scheuer 09/98 – 06/15

New Hire: Arlene Thieme 09/15

Resignation: Denise Berg 10/06 – 10/15

John Scheuer's retirement gave Roger Oemig the opportunity to work full time: splitting his time between two crossings (Doege/Peach in AM and St Joseph/Upham in PM). New hire Arlene Thieme will split the week with substitute Sandy Christman during the mornings at this crossing.

Alek Wegner moved to full time duties fall of 2015 to cover Denise Berg's departure at 11th/Adams.

**MARSHFIELD POLICE DEPARTMENT
POLICE AUXILIARY
2015**

The Marshfield Police Auxiliary is made up of civic-minded community members who volunteer their time to assist the Police Department with patrol and crowd management functions during times requiring increased departmental presence. These volunteers do not have arrest powers, but they receive training in many police tasks which allow them to assist in maintaining safe and orderly community events.

Members of the community wishing to become members of the Marshfield Police Auxiliary are asked to submit an application, which can be obtained from the Police Department. Applicants are subject to a background check and then asked to participate in an interview with current members. Successful applicants are then given probationary member status as they are trained by more senior members of the organization over a period of six months prior to becoming full members of the organization.

2015 Highlights

The Marshfield Police Auxiliary had a 2015 with many arrivals and departures. As a result, the organization showed a slight decline in membership during its 38th year of existence in support of the Police Department, ending the year with 19 members.

Officer Jamie Kizer and Officer Chris Hasz assisted the Police Auxiliary in 2015 as the department's Auxiliary Liaison Officers.

The Police Auxiliary donated 2,251.75 hours of service to the Marshfield community and amassed 3,415.20 patrol miles in 2015.
