

Plan Commission Calendar

COMPLETE applications are due in the Department office by 4:30 p.m. on the submittal day, which is always the Friday following the Plan Commission meeting date. Except for scheduling conflicts, such as holidays or availability of staff or Commission members, meetings are typically held on the third Tuesday of the month. Submittals are accepted subject to staff’s evaluation for general accuracy and completeness of the application and related materials. This calendar represents a “best case” schedule. The actual schedule of a given application may differ, typically as a result of Commission schedule changes, staff’s need to review any new information submitted with the final application, or the general caseload of the Commission.

A Concept Plan Conference with staff is required for certain applications. This requires initial application submittal several weeks prior to the submittal dates listed here. Please contact the Department for more information.
