

Concussion Waiver Form

Parent Code of Conduct

As a parent / guardian of a player in the Marshfield Parks & Recreation Sports League, I agree to the following:

- I have received and read the concussion fact sheets provided by my child's coach. I am aware of the concussion law in Wisconsin that is in effect as of April 16, 2012. I understand this law requires that a person who is suspected of sustaining a concussion or head injury in a youth athletic activity be removed from the activity immediately. A person who has been so removed may not participate in a youth athletic activity until he or she is evaluated by a health care provider who has been trained in the evaluation and management of concussion and head injuries and receives a written clearance to participate in the activity from the health care provider.
- I must always remember my child plays the sport for his or her benefit, not mine.
- I will teach my child that doing one's best is more important than winning.
- I will offer praise to my child for laying his or her best regardless of the outcome.
- I will listen at all times when my child wishes to discuss his or her performance.
- I will not argue with or complain about an umpire's call or decision.
- I will encourage my child to abide by the rules of the game and maintain a high level of sportsmanship.
- I will support the decisions our coaches make, in doing so, support the team.
- I will always remember that children learn best by the examples set for them.
- I will make sure my child arrives to games and practices on time.
- I will focus on my child's development as a player and not solely on winning.
- I will inform the coach of any injury or illness that may negatively affect the safety of my child or his or her teammates.
- To resolve troublesome issues, I will not interrupt the coach prior to, during or after a game or practice. I will discuss these issues privately with the coach at a mutually agreed upon time and place. If this doesn't result in a satisfactory outcome, I will contact the Parks & Recreation Program Supervisor at 715-384-4642.
- I will not discuss issues concerning my child or other players with other parents.

By signing this code of conduct, as a parent of a youth player, I agree to conduct myself in a positive manner at all times, to respect the game and support the players, coaches and referees, and to promote the growth of my child athletically, emotionally and physically.
