- Payment must be received before distributing digital datasets.
- All digital records will require the customer to read and sign a City of Marshfield License Agreement (attached).
- CAD digital files are distributed in Microstation V8 (dgn) format; recipient responsible for any conversion.
- GIS digital files are distributed in Esri personal geodatabase (v10x) format; recipient responsible for any conversion.
- All prices are a one-time fee; prices do not include any updates.
- Standard digital data delivery method is DVD; if a different delivery method is preferred, please specify. May involve additional cost.
- All information is the property of the City of Marshfield and shall not be redistributed or copied.
- Fees will be waived or reduced for Contractors & consultants under contract, City Depts. & City Owned Utilities, MACCI, Main Street Marshfield, City sponsored events or community service organizations, or at the GIS Coordinator's Discretion.

**City of Marshfield
Engineering & Planning Divisions
Publicly Available Data**

The data provided was originally prepared for use by the City for its internal purposes only, and was not designed or intended for general use by members of the public. The City makes no representation or warranty as to the Data's accuracy or location of any map features thereon.

The City disclaims any warranty of any kind, including warranty of merchantability or warranty for fitness of use for a particular purpose, express or implied, with respect to the Data. Any user of the Data accepts the same as is, with all faults, and assumes all responsibility for use thereof. The user further covenants and agrees to hold the City, its officials, officers, employees, agents, co-producers, and volunteers harmless from and against any and all damages, loss, or liability arising from or resulting from the use of the Data. Independent verification of all information contained in the Data should be obtained by the user.

Data is licensed and distributed in an 'as is' condition, on a one-time basis. The City is under no obligation to inform users of data updates. The user is solely responsible for identifying and acquiring updates. All updates or revisions will be made at the City's discretion.

Data is delivered in an ArcGIS File Geodatabase 10x format. Recipients are responsible for any conversion.

City of Marshfield
License Agreement for Use of Geographic Data
September, 2016

Thank you for your interest in our digital data and/or hard copy maps.

Data and map features represent conditions as they existed at the time they were created. Digital planimetric (topography, etc...) data was created from 2015 aerial photography. Parcel data is created from legal documents, surveys and plats and is updated regularly. This data and/or map display should not be used for engineering, survey, or site design purposes without independent field examination, data collection and verification by the user.

Please read the legal notices, disclaimers and terms of use below. Your acceptance of these data and/or maps constitute your acceptance of these terms.

License Terms

The City of Marshfield (hereafter referred to as City) has produced or co-produced digital geographic data sets including, but not limited to Tax Parcels, Zoning, Planimetrics, and Road Centerlines (hereafter referred to as Data). All Data are copyrighted original works. They are licensed for **use**, not sold, and may not be resold or distributed in any manner.

Description of Data

The data provided was originally prepared for use by the City for its internal purposes only, and was not designed or intended for general use by members of the public. The City makes no representation or warranty as to the Data's accuracy or location of any map features thereon.

The City disclaims any warranty of any kind, including warranty of merchantability or warranty for fitness of use for a particular purpose, express or implied, with respect to the Data. Any user of the Data accepts the same as is, with all faults, and assumes all responsibility for use thereof. The user further covenants and agrees to hold the City, its officials, officers, employees, agents, co-producers, and volunteers harmless from and against any and all damages, loss, or liability arising from or resulting from the use of the Data. Independent verification of all information contained in the Data should be obtained by the user.

Scheduling

City projects take precedence over all requests for Data. Be advised that significant delays may occur due to staff shortages or schedule constraints. Requests will only be filled within normal business hours. Requesters are encouraged to order early.

Costs

The City of Marshfield, according to the attached price schedule, licensed the use of Data. Fees are not refundable. Payment is required upon receipt of product. Payments are made in the Finance Office, 5th floor of City Hall Plaza.

Updates

Data is licensed and distributed in an 'as is' condition, on a one-time basis. The City is under no obligation to inform users of data updates. The user is solely responsible for identifying, ordering and paying for updated data. All updates or revisions will be made at the City's discretion.

Proprietary Rights

Reproduction or redistribution of Data, or hard copy maps as provided by the City, with the intent to sell for profit is prohibited without the written consent from the City. Users hereby agree to abide by the use and reproduction conditions specified above and agree to hold any independent contractor to the same terms. By using the Data provided herein, the user acknowledges the terms and conditions have been read and that the user is bound by these criteria.
