

Public Notice
Seasonal Street Weight Restrictions
City of Marshfield, Wisconsin

Effective February 27, 2017 the seasonal street weight restrictions will be in effect in the City of Marshfield. This means **NO** overweight permits will be issued; it will also be unlawful for any vehicle exceeding the temporary seasonal weight restrictions to be on any street regardless if it is posted with a sign or not unless the street is classified as a heavy truck route. Approved heavy truck routes are not posted. We anticipate the seasonal weight restrictions to be in effect until mid to late April.

The seasonal weight restrictions are as follows:

Six (6) ton gross vehicle weight for any vehicle with two axles, one front and one rear; ten (10) ton gross vehicle weight for any vehicle with three or more axles, one front, and two or more rear.
