Elderbrook moves and Zais seconds approval of the December 13, 2010 Library and Senior Community Center Project Steering Committee minutes. All ayes.

By consensus the group has approved the use of email to deliver agendas, minutes, etc.

The committee reviewed progress on contacting people on the subcommittee recruitment list. Don Zais will record any questions received at the January 13th meetings. These questions may indicate areas that must be addressed and future work for the Communications & Marketing subcommittee. From the interest cards gathered at the meeting, we will identify members and suggest leadership for the subcommittees.

As there was no other business to come before the committee, the meeting adjourned at 5:19 p.m.

Respectfully submitted,
