Meeting called to order at 6:32 pm Minutes of August 10, and October 12 were approved. There were no public comments. Old Business:

A. Reviewed changes made to 'task group' information. Much of the discussion centered on use meeting room space in Community Center area.

## New Business:

- A. Discussion on 'task groups' for Community Center. ADRC has given us specific information for space needs. This generated much discussion on how space could be divided and how best utilized. Realization is that it may be difficult to go much further until we have direction from Steering Committee on priorities for Community Center. Some further discussion on Alternative School and short presentation by Historical group (Shirley Mook).
- B. Items for future Agendas include continued reports (from Task groups) on specifics of Community Center so Zimmerman Group can figure connection between Library and Center.

Next meeting will be December 14, 6:30 pm, again at the Library. Meeting adjourned at 7:50 pm
Respectfully submitted,
Chris Jockheck
