(Age as of August 7 determines the division)

The philosophy of the Marshfield Tennis Association is to give people many opportunities to play. Four entries are needed to "run" a division. Second place trophies will be awarded in divisions containing 8 or more entries. Third place trophies will be awarded in divisions containing 12 or more entries. **Whenever possible, divisions will have a consolation round. Players may sign up for Men's/Women's AND Mixed Doubles. All fees must be paid before competition begins.**

Entry Fees
